Via de Cristo is a an interdenominational lay movement, serving to renew men and women of all Christian faiths and bring them to a new awareness of living in God's grace.

Who should attend a Via de Cristo Weekend?

Christians who desire to grow in their Christianity; those who would like to learn more about the *Ways of Christ*, prayer, Biblical study, and sharing their faith with others.

Purpose of a Via de Cristo Weekend?

The purpose of Via de Cristo is to provide a way that every one of us can become increasingly empowered, equipped and energized, through the Holy Spirit, to become more effective servants and leaders in the body of Christ.

By proclaiming the truth of Jesus, presenting the grace of God, and allowing for the work of the Holy Spirit, Via de Cristo is an instrument to encourage each of us to persevere and grow in our faith, become an effective channel of God's love to others, and strengthen our personal walk with the Lord Jesus Christ.

What happens on a Via de Cristo Weekend?

The Via de Cristo weekend is three days in length, beginning on Thursday evening and concluding on Sunday afternoon.

Our weekends are held at a local church that provides our meeting space, dining room, chapel and sleeping accommodations.

The weekend centers around inspirational talks given by laypersons and pastors. Some of the talks utilize personal experiences and are a living witness to the talk subjects. followed by table discussions, worship and fellowship.

All activities during the Via de Cristo weekend including talks, meditations and worship are undergirded with prayer and are totally dependent on God.

The "Via de Cristo Community," which is made up of those who have previously attended a weekend, support the 72-hour experience by preparing and serving meals, praying and other acts of love and self-giving.
